

DEEPA BIRADAR

second year student

CSE – (Data Science) — ballari institute of technology and management ballari,karnataka

+91-7676092715 — linkedin.com/in/Deepa Biradar — github.com/biradardeepa312-gif

CAREER OBJECTIVE

Motivated CSE Data Science engineering student with an interest in programming and problem solving. Currently developing skills in C, C++, Java, Python, Data Structures and Algorithms. Seeking opportunities to learn, contribute and build practical technical skills.

EDUCATION

B.E. Computer Science and Engineering (Data Science)

2025 – Present

Ballari Institute of Technology and Management (BITM), Ballari CGPA: 9.58

Bachelor of Science (Pre-University)

2024

Gurukul Independent PU College, Kalaburagi Grade: 78.82%

Secondary School Education

Maharishi Vidya Mandir Public School, Kalaburagi Grade: 90.08%

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Python
- **Tools & Technologies:** Git, GitHub, VS Code, Overleaf

PROJECTS

Inventory and Stock Management System – C Programming

- Developed a C-based system to manage product details, stock quantity, prices, and reorder levels.
- Implemented structures, arrays, functions, searching, and stock management operations.

QR Code Generator Python

- Developed a Python application to generate QR codes.
- Used the Python QR code library to create and save QR images.

Temperature and Humidity Measurement Arduino

- Developed an Arduino UNO based system using a DHT11 sensor.
- Displayed real-time temperature and humidity readings on an LCD display.

INTERNSHIP

C Programming Intern

- Gained practical knowledge of C programming and core algorithmic logic.
- Worked with functions, arrays, pointers, structures, and basic problem solving.

CERTIFICATIONS & ACHIEVEMENTS

- Certificate of Participation – Maharishi National Olympiad 2022-23 (English)
- Certificate of Participation – Maharishi National Olympiad 2022-23 (Science)

LANGUAGES & INTERESTS

- **Languages:** English, Kannada, Hindi
- **Interests:** Programming, Data Science, Problem Solving, and Learning New Technologies
